VOTING ON ELECTION DAY – WHAT YOU NEED TO KNOW / BRING:

Do NOT go to the POLLS if you are sick or have been exposed leading up to Election Day.
Call (on Election Day) 978-640-4355 or email townclerk@tewksbury-ma.gov for voting options from home

- **Wear a Face Covering**
- **Bring an ID** – in some cases voters will be required to show an ID. That ID can be anything (license, a bill, email) but the voter name and address must match how you are registered.
- **Don't touch your face** while at the polling location
- **Maintain Social Distancing** – keep 6' away from anyone not from your household
- **Keep your ballot dry and free from hand sanitizers** - Do not use hand sanitizer while handling your ballot and be sure your voting booth is dry as it will cause issues tabulator breakdowns

SAVE TIME & AGGRAVATION - KNOW BEFORE YOU GO:

If you wish to verify your voter registration status or have any questions, please phone the Town Clerk's Office at 978-640-4355 or **check out these helpful Links:**

- All elections workers, maintenance staff and police officers will be required to wear masks while present at the polling location. Masks will be provided.
- Protective shields will be placed on check-in and precinct warden's tables.
- Voters will be strongly advised to either wear a mask or some kind of facial covering before entering the building.
- Election observers or members of the media will be advised to wear masks.
- Election workers will wash their hands often during the day.
- Hand sanitizer will be placed at the exit of the buildings as well as near election workers.
- Election workers will keep a six-foot distance from each other at all times.
- Physical distance markers will be set up at the entrance to each precinct marking six foot intervals.
- Directional and spatial arrows will be taped to the floor or walls.
- Voting booths will be spaced at least six feet apart.
- Pens will be cleaned with disinfecting wipes between every voter.
- Throughout the day election staff will sanitize voting booths and tables with disinfecting wipes. (Be certain surface is dry before allowing a voter to place their ballot because wet ballots may cause problems with the tabulator.)
- Throughout the day maintenance staff will sanitize frequently touched surfaces such and hand rails, elevator buttons, door handles, bathrooms, etc.
